#### RECOGNIZING THE BICENTENNIAL ANNIVERSARY OF THE TOWN OF EVANS

##### HON. CHRIS JACOBS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 9, 2021*

Mr. JACOBS of New York. Madam Speaker, I rise today to recognize the Town of Evans, New York on its bicentennial anniversary.

The Town of Evans, New York was founded on March 31, 1821, when the Legislature of New York State proposed and passed an Act for the purpose of establishing the Town of Evans. The Town of Evans has a rich history, and I am honored to represent it in Congress.

The Town of Evans was named after David Ellicott Evans who served as an agent for the Holland Land Company. He worked dutifully for the Holland Land Company, emphasizing the importance of respecting the pioneers that settled the lands. Mr. Evans' unwavering kindness towards the pioneers and everyone he encountered prompted the State Legislature to name the town in his honor.

Many great businesses and businesspeople have hailed from the Town of Evans, including Willis Haviland Carrier, the inventor of modern air conditioning. From Evans' Village of Angola, Carrier crafted a temperature-controlled future that countless people around the world continue to rely on today.

Today, the Town of Evans is a robust, generational farming community with livestock, maple syrup, horticulture, and commercial crop farms that provide essential goods to local residents and surrounding communities. Located on Lake Erie and south of the City of Buffalo, the town also offers 12 miles of scenic coastline. Residents enjoy the town's numerous parks and beaches, as well as Sturgeon Point Marina which serves as a key launch for boaters and fisherman on the lake. Nature trails and picturesque sunsets over Lake Erie attract visitors from all over the country.

I thank the Town of Evans for its commitment to preserving 200 years of history, and I again congratulate the town on its bicentennial anniversary.

#### IN HONOR OF THE LIFE OF GEORGE CRANWELL "CRAN" MONTGOMERY

##### HON. TIM BURCHETT

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 9, 2021*

Mr. BURCHETT. Madam Speaker, I rise to honor the life of Ambassador George Cranwell Montgomery, who passed away on June 14 at the age of 76. Many people addressed him as "Mr. Ambassador," but to friends in Knoxville or to colleagues near and far, he was simply known as "Cran."

Cran was born and raised in Knoxville before heading to school at the University of Virginia. Following his graduation in 1966, Cran was commissioned into the Navy for 6 years and served as a Commander in Vietnam. He remained in the Navy Reserves until 1994, when he retired as a Captain.

After his military service, Cran earned a degree from Vanderbilt University Law School and started working for Tennessee Senator Howard Baker, Jr. Cran worked for Senator Baker while he was Senate Minority and Majority Leader, advising him on matters related to foreign policy and national security.

Cran gained experience and knowledge on Middle East foreign policy while working for Senator Baker, leading President Ronald Reagan to nominate Cran for U.S. Ambassador to Oman. Cran's nomination was successful and he served as Ambassador to Oman from 1985 to 1989. He then moved back to Washington to practice international law at the Baker Donelson law firm. When he retired, Cran and his wife Carol returned to East Tennessee to spend time in his beloved home state surrounded by his loved ones.

Cran was a brave military veteran, dedicated public servant, and a valuable member of the east Tennessee community. He leaves behind his wife, Carol; his daughter, Erynn; and many other loved ones who will remember him fondly. I thank him for the many ways he served our country throughout his life.

#### CELEBRATING THE LIFE OF REV. DR. ROGER RAYMOND FISCHER

##### HON. GUY RESCENTHALER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 9, 2021*

Mr. RESCENTHALER. Madam Speaker, I rise to celebrate the life of Rev. Dr. Roger Raymond Fischer, who passed away on July 1, 2021.

A native of Washington, Pennsylvania, Rev. Fischer graduated from Washington High School in 1959. He attended Washington and Jefferson College in 1963, graduating with a Bachelor of Arts in Mathematics and Physics. Later in life, he earned an honorary Doctor of Divinity from his alma mater.

At the age of 25, Rev. Fischer was elected to the Pennsylvania House of Representatives for the 47th District, serving ten consecutive terms from 1966 to 1988. He was one of the youngest members elected in the history of the General Assembly, and served as Chairman of the House Education Committee and on the State Board of Education. After his re-

tirement, Rev. Fischer became President of the Association of Retired Pennsylvania House of Representatives and Senate Members, sharing his wisdom with current legislators for nine terms. A dedicated citizen, he voted in every primary and general election from 1962 until the time of his death, which earned him a place in the Pennsylvania Voter Hall of Fame.

After serving honorably as a Second Lieutenant in the U.S. Air Force, Rev. Fischer was still determined to contribute to our Nation's defense. He accepted a commission as a Lieutenant Colonel in the U.S. Air Force Reserve, while continuing to work tirelessly for his community in the legislature. Rev. Fischer also gave back to his fellow veterans through his work with American Legion Post 175.

Following his time as a legislator, Rev. Fischer felt a call from God to pursue ministry, earning a master's degree with honors from the Lutheran Seminary at Gettysburg in 1991. In 1998, he was granted a Doctor of Ministry Degree from the Pittsburgh Theological Seminary. Rev. Fischer was ordained on January 13th, 1990, at First Lutheran Church, Washington, and went on to serve several churches in southwestern Pennsylvania and West Virginia. The last congregations he served were Calvary Lutheran in Scenery Hill, Buena Vista Presbyterian, and Hyland Brotheran.

Throughout his life, Rev. Fischer was dedicated to fitness and endurance. He finished the Ironman Triathlon not once, but twice. Rev. Fischer ran multiple marathons across the U.S. and, at the age of 74, added the Disney World Marathon to his list. He elected to bike across America and hiked the entire 2,174.1-mile Appalachian Trail. Well-traveled after discovering the passion with his wife of 48 years, Kitty, Rev. Fischer could proudly say he visited every continent except Antarctica.

Madam Speaker, Rev. Dr. Roger Raymond Fischer led an incredibly accomplished life, one marked by dedication to God, community, and country. I have no doubt his legacy will live on in his community and across the Commonwealth of Pennsylvania.
